Fairmont
LE CHÂTEAU FRONTENAC

A LEGENDARY CASTLE

Ideally located in the heart of old Québec, Fairmont Le Château Frontenac is the perfect place to celebrate the happiest day of your life. For more than a century, Québec City's Fairmont Le Château Frontenac has been the castle of many people's dreams.

The Château has long been recognized as the host of several of the most elegant and significant events in the city, and we hope to have the pleasure of hosting your wedding. Drawing inspiration from the architectural styles of the Middle Ages and the Renaissance, Fairmont Le Château Frontenac evokes the opulence of the great European palaces.

The world's most photographed hotel, Fairmont Le Château Frontenac charms travellers from around the world with its blend of historical charm and modern elegance, world-class hospitality, and its magic touch!

AN EXCEPTIONAL SETTING

Québec City, with its European atmosphere and its world-famous Château Frontenac, has it all. With its pretty streets steeped in history, its architecture with unique charm and its legendary hospitality, there is no better place to tie the knot.

The only fortified city north of Mexico and the birthplace of French Canada, the Historic District of Old Québec is a UNESCO World Heritage site. Québec City is known for its rich history, cobblestone streets, and fortifications. How can you resist its charm?

ROMANCE

Québec City is “So Europe, So Close!” With its cobbled streets lined with centuries-old buildings, top-notch restaurants and European atmosphere, Québec City is filled with numerous romantic spots. Relax with your special someone while admiring the parks, monuments and architecture of Old Québec.

GASTRONOMY

With its European atmosphere, Québec City is all about the art of living. From pleasant outdoor patios, cozy cafés, microbreweries, and restaurants run by famous chefs to the inspiring farmers market and the vineyards on Île d’Orléans, Québec City is keeping up with the latest culinary trends while reflecting its long heritage and rich terroir.

HISTORY

With 400 years of history, Québec City is a UNESCO World Heritage site with a long story to tell. From Battlefields Park, scene of the battle between the English and French armies, and the military tradition of the Citadel to the historic churches and museums, the heritage of the only fortified city north of Mexico continues to fascinate.

CULTURE

Québec City is the ideal destination for visiting amazing museums such as the Musée national des beaux-arts du Québec, displaying its treasured provincial art collection, or the Musée de la civilisation and its interactive exhibits the whole family will love. Art galleries of the Old Port district, the famous Rue du Trésor, and the many festivals the city holds throughout the year make Québec City a lively destination.

WINTER WEDDING WONDERLAND

As soon as the first snowflakes fall, Québec City gets into its winter groove. From late November to late March, Old Québec dazzles with its enchanting blanket of snow. When the snow is falling on the winter capital, an aura of magic and romance embraces the city. With the ice on the St. Lawrence River and the snow-covered landscape, the setting is enchanting and ideal for taking memorable photos.

Originally used as the hotel's tea room, the Verchères room is an open-plan space whose focal point is a beautiful hand-painted ceiling dating from the 1920s. Adjacent to the Ballroom of which it becomes a natural extension, the Verchères room is perfect for cocktail parties or registration tables. It is accessible by climbing the double-flight staircase at the end of the lobby.
